Rationale in spending the Primary School Sports Funding:

- To improve the quality of PE and sport provision, including maintaining our participation in cluster tournaments and local events.
- To enable children to realise the importance of a healthy lifestyle.
- To motivate learners and provide them a varied and rich PE curriculum.
- To ensure we can pay for transport to either cluster events or own events organised by the school.
- To ensure that more after school clubs are provided at a subsidised price, to enable more children to attend.
