Training and Development

- The Designated Safeguarding Lead has completed online training on FGM, Honour based abuse and Forced marriage. These areas of training will form part of the Spring safeguarding CPD for staff.
- The TA's have had wishes and feelings training delivered by Deborah Whelan from JMAT. This training will support the collection of pupil voice to inform the DSL who can then discuss this with the relevant social worker/Early Help Worker. Pupil voice will be collected regularly between core group, CIN and TAF meetings or when requested as a result of a safeguarding concern.
