## **Comments from class teacher**

Child A –

- Confident with mental maths and times tables
- Clear passion and love for maths
- Spelling – scoring at least 8/9/10 every week and applies within his writing
- On track to be greater depth in maths, working at in Science and working towards in writing and reading
- Handwriting intervention 3x weekly
- Supporting child to be more independent, particularly in writing

## **Social, Emotional, Mental Health and Well Being**

Child A –

- Child sometimes gets worked up and becomes emotional if he feels unsure, particularly in writing. He doubts himself but staff are supporting him to believe in himself more because when he does he comes up with some wonderful ideas.
