

## Training and Development Governor Update: 08/06/21

### Questions for governors:

1. Have you done any online training via the NGA Learning Link or anywhere else?
2. Have you attended any training courses which aren't listed below?
3. Is there any training which you would find helpful? It doesn't have to be a course, it could be something that could be delivered in school.
4. Is there anything else that you would find helpful as preparation for joining JMAT?

### Training and development priorities for 2020/21

An update on our training priorities for this year.

1. New governors to attend New to Governance training: *1 out of 3 have completed.*
2. All governors to complete safeguarding training on Safeguard: *3 out of 7 have completed.*
3. All governors to identify at least one module on Learning Link or training course related to their individual responsibilities and to complete it: *Any update?*
4. Safeguarding Governor to undertake any safeguarding training available. *Attended Prevent training. Couldn't attend other courses this year because of other commitments.*
5. At least two governors to attend RoSIS finance training: *1 has completed.*
6. All governors to have an awareness of changes following conversion to academy. *Ask governors.*
7. Chair to undertake Development for Chairs programme: *Ongoing.*
