

## Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

### School overview

Detail	Data
School name	Meadow View Primary School
Number of pupils in school	191 pupils (206 including F1)
Proportion (%) of pupil premium eligible pupils	81 Pupils (42.4%)
Number of service Children	4
Academic year/years that our current pupil premium strategy plan covers ( <b>3 year plans are recommended</b> )	2021-2022 2022-2023 2023-2024
Date this statement was published	October 2023
Date on which it will be reviewed	October 2024
Statement authorised by	Jenni Logan
Pupil premium lead	Sue Gregg
Governor / Trustee lead	Stephen Agha

### Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£74,940 £81,995 £90,035
Recovery premium funding allocation this academic year	£5510 £8265 £8410
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
<b>Total budget for this academic year</b> If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£80,450 £90260 £98,445

# Part A: Pupil premium strategy plan

## Statement of intent

Our ultimate objectives are:

- ✓ To diminish the attainment gap between disadvantaged and non-disadvantaged pupils.
- ✓ For all disadvantaged pupils in school to make or exceed nationally expected progress rates.
- ✓ To support our children with their social, emotional and mental health wellbeing to remove and societal barriers that may prevent them from accessing learning.
- ✓ To support disadvantaged families to provide the care and appropriate parental influence to maximise pupil life chances and attainment.

We aim to do this through

- Focussing on quality first teaching for all pupils, ensuring that any children who are falling behind are rapidly identified and access appropriate [teaching](#), support or intervention.
- Ensuring school has a focus on Phonics and Early Reading so that all children are nurtured to become readers.
- [Have a through school focus on developing oracy abilities to enable disadvantaged pupils to better access the curriculum, build their confidence and find their voice.](#)
- Carefully sequencing maths, [writing and the wider curriculum](#) so that all children can keep up with the lessons and achieve their potential.
- Ensuring that appropriate provision is made for pupils who have an identified SEN need in addition to disadvantage, including access to appropriate agencies if required.
- [Having a clear programme of support for pupils with EAL alongside their disadvantage to ensure that these pupils either achieve age related expectation, or if transferring into school, make rapid progress and we narrow the gap between them and the national expectations.](#)
- Keeping social, emotional and mental wellbeing at the centre of our ethos and curriculum to ensure that all children are equipped to talk about and manage big emotions.
- Provide support to address the wider needs of the family so that the children feel safe and secure at home and so that the parents are aspirational for their child and are able to value and support their child's education.
- Removing any barriers that impact negatively on a child's attendance at school to ensure they have maximum access to the curriculum and quality teaching.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	In the EYFS, PP pupils often enter with limited speech and language skills. This hinders their development on many levels including communication, phonics, reading and writing.
2	Pupil Premium Children do not reach the age-related Reading and phonics expectations in line with non-pupil premium children
3	The current Y4 cohort underperformed in their Y2 SATs due to the impact of Covid-19 alongside the high level of vulnerabilities. This year group has increased significantly in size and vulnerability.
4	Children who fall into more than one vulnerable group have more complex barriers to be addressed and do not achieve as well pure pupil premium pupils.
5	The SEMH needs of PP children impacts on their ability to concentrate and achieve in their learning.
6	The SEMH needs of the parents impacts negatively on their children 's attendance. Attendance is lower for pupil premium children than for non-pupil premium children. Persistent absence is a greater issue for pupil premium pupils compared to non-pupil premium pupils.
7	A high number of pupil premium families struggle to implement consistent rules and boundaries and this leads to behaviour issues within school.
8	We are experiencing an increase in pupils qualifying for pupil premium, largely due to inward migration into the Ferham area (1.8 miles away). Our new to school pupils are all working significantly below the expected standards, particularly those pupils who are new to England or are in the early stages of learning English.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
An increased percentage of PP children (compared to 2019 data: 71.42%) in EYFS achieve expected in communication and language. The impact can also be evidenced in their phonics, reading and writing attainment.	Pupils eligible for Pupil Premium who do not have any secondary barrier such as SEN or EAL will make rapid and sustained progress and reach the expected standard on their EYFS profile by the end of the year.
More pupil premium children reach the national standard in Y1, Y2 and Y6.	<p>There will be an increase in the number of children reaching the national standard at the end of Y1 in comparison to the 2019 Y1 phonics results.</p> <p>There will be an increase in the number of children eligible for pupil premium reaching the national standard in Y2 Reading SATs in comparison to the 2019 results.</p> <p>There will be an increase in the number of children eligible for pupil premium reaching the national standard in Y6 Reading SATs in comparison to the 2019 results.</p>
The complex needs of the Y4 cohort will be met.	<p>The gap between the non-PP and Pure PP will be eradicated.</p> <p>The gap between the PP with SEND will be narrowed compared to NON-PP within the Y4 cohort.</p> <p>The gap between the PP with EAL will be narrowed compared to NON-PP within the Y4 cohort.</p>
The gap between current PP attainment and ARE will continue to narrow for all pupils.	Pupils eligible for Pupil Premium in all years will make rapid and sustained progress (relative to their starting points, capabilities and special educational needs) by the end of the year so that almost all pupils eligible for Pupil Premium make expected or better progress.
PP children with SEMH needs are supported to be able to access learning successfully through effective pastoral provision, so that 100% make progress in line with individual expectations.	Pupils eligible for Pupil Premium in all year groups will be enabled to recognise how to self-regulate or will be supported through co-regulation.
Attendance will improve for children eligible for pupil premium and less pupil premium children	Evidence will be available that attendance issues have been both supported and challenged by the attendance team, throughout the year.

will fall into the persistent absence category. (11 out of 32 in 2022, 10 out of 25 in 2023)	<p>The gap in attendance will have narrowed below the 1.38% difference between pupil premium children and all pupils. (2021 data)</p> <p>Families of children with Pupil Premium will have a greater understanding of the importance of good attendance and punctuality.</p>
Parent support will be offered to all families identified or requesting help, with a high level of challenge and support.	<p>Records will show the number of families offered support, the support given and the impact for each family. This will be documented within our RecordMy system.</p> <p>The children whose families we work with will feel happier and safer and their needs will be met. As measured via conversations and questionnaires.</p>
The school strategy for integrating EAL pupils into the school/country will be impactful.	To gap will narrow between those pupils new to school and those that are bloodline pupils.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

## Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £32,702

Activity	Evidence that supports this approach	Challenge number(s) addressed

# Part B: Review of outcomes in the previous academic year

## Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

### 2022-2023

#### EYFS GLD

All Children: 12/22 54.5%      Pupil Premium Children: 5 out of 9 = 55.6%

#### Y1 Phonics

All Children: 75%      Pupil Premium Children: 50%

#### Y2 Phonics

All Children: 57%      Pupil Premium Children: 66.6%

#### Y2 Outcomes

Reading -	All Children: 47.6%	Pupil Premium Children: 33.3%
Writing -	All Children: 42.9%	Pupil Premium Children: 33.3%
Maths -	All Children: 66.7%	Pupil Premium Children: 50%

#### Y4 MTC

All Children: 54.2%      Pupil Premium Children: 60%

#### Y6 Outcomes

Reading -	All Children: 50%	Pupil Premium Children: 40%
Writing -	All Children: 54.3%	Pupil Premium Children: 50%
Maths -	All Children: 56.25%	Pupil Premium Children: 40%
SPAG -	All Children: 59.4%	Pupil Premium Children: 50%

(N.B 3 PP pupils were new to England in Y6 and did not make the expected standard)

### 2021-2022

#### EYFS GLD

All Children: 56%      Pupil Premium Children: 1/6 = 17%

#### Y1 Phonics

All Children: 67%      Pupil Premium Children: 50%

#### Y2 Phonics

All Children: 71.4%      Pupil Premium Children: 100%

#### Y2 Outcomes

Reading -	All Children: 30%	Pupil Premium Children: 11.1%
Writing -	All Children: 30%	Pupil Premium Children: 0%
Maths -	All Children: 43.3%	Pupil Premium Children: 22.2%

#### Y4 MTC

All Children: 54.2%      Pupil Premium Children: 60%

## Y6 Outcomes

Reading -	All Children: 85.2%	Pupil Premium Children: 100%
Writing -	All Children: 59.3%	Pupil Premium Children: 85.7%
Maths -	All Children: 81.5%	Pupil Premium Children: 85.7%
SPAG -	All Children: 77.8%	Pupil Premium Children: 85.7%

## 2020-2021

### EYFS GLD

All Children: 53% Pupil Premium Children: 33%

### Internal Data for Y1 Phonics

All Children: 67% Pupil Premium Children: 43%

### Internal Data for Y2 Phonics

All Children: 43% Pupil Premium Children: 50%

### Internal Data for End of KS1

Reading All Children: 50% Reading Pupil Premium Children: 43%

Writing All Children: 44% Writing Pupil Premium Children: 29%

Maths All Children: 56% Maths Pupil Premium Children: 58%

### Internal Data for End of KS2

Reading All Children: 92% Reading Pupil Premium Children: 86%

Writing All Children: 65% Writing Pupil Premium Children: 57%

Maths All Children: 85% Maths Pupil Premium Children: 71%

### Year 2

Reading: 2 children did not make expected progress in line with EYFS outcomes 0 are PP

Writing: 2 children did not make expected progress in line with EYFS outcomes 1 is PP

Maths: 5 children did not make expected progress in line with EYFS outcomes 1 is PP

### Year 3

Reading: 7 children did not make expected progress in line with KS1 outcomes 2 are PP

Writing: 6 children did not make expected progress in line with KS1 outcomes 2 are PP

Maths: 4 children did not make expected progress in line with KS1 outcomes 2 are PP

### Year 4

Reading: 3 children did not make expected progress in line with KS1 outcomes 2 are PP

Writing: 6 children did not make expected progress in line with KS1 outcomes 4 are PP

Maths: 3 children did not make expected progress in line with KS1 outcomes 1 is PP

### Year 5

Reading: 5 children did not make expected progress in line with KS1 outcomes 2 are PP

Writing: 3 children did not make expected progress in line with KS1 outcomes 1 is PP

Maths: 1 child did not make expected progress in line with KS1 outcomes 0 are PP

### Year 6

Reading: 3 children did not make expected progress in line with KS1 outcomes 1 is PP

Writing: 3 children did not make expected progress in line with KS1 outcomes 0 are PP

Maths: 4 children did not make expected progress in line with KS1 outcomes 2 are PP

## Attendance Data

- Attendance for all pupils in 2021-22 = 92.46%
- Attendance for all pupils in 2022-23 = 94.34%
  
- Attendance for PP pupils in 2021-22: 91.37%
- Attendance for all pupils in 2022-23 = 92.69%
  
- In 2021-22, out of 32 pupil premium children in school, 11 were persistently absent = 34.37%
- In 2021-22, out of the 127 non pupil premium children, 30 were persistently absent = 23.62%
- In 2022-23, out of 48 pupil premium children in school, 10 were persistently absent = 20.83%
- In 2022-23, out of the 121 non pupil premium children, 15 were persistently absent = 12.40%

## Externally provided programmes

*Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England*

Programme	Provider
Little Wandle Letters and Sounds Revised	Little Wandle
My Happy Mind	My Happy Mind

## Service pupil premium funding (optional)

*For schools that receive this funding, you may wish to provide the following information:*

Measure	Details
How did you spend your service pupil premium allocation last academic year?	<p>Our service children were enabled to come to breakfast club free of charge to support the family to cope positively with Father being regularly absent.</p> <p>We also enabled the child to have regular contact with Dad during school time as all of his R&amp;R time was during school hours whilst he was posted away.</p> <p>One of the service children accessed the phonics interventions.</p>
What was the impact of that spending on service pupil premium eligible pupils?	<p>The service children were settled and happy in school. Father being posted away did not have a negative impact on the child's learning.</p> <p>The service children made expected progress and is working at the level expected in all areas.</p> <p>The child who accessed phonics interventions managed to remain in line with his peers and passed the phonics screening check.</p>
