

PARENT FEEDBACK

Thank you so much to all the parents and carers who completed the parent questionnaire. We had an incredible 66 families provide us with their points of view. This is really valuable information for us to use to inform our future planning. We are so proud that you have such a positive view. We love serving this community.

At the end of the survey, we asked for any additional information that you would like us to know. The wonderful comments we have received in this section are absolutely incredible and mean so much to the staff team who work so hard both in and out of school to give your children the very best teaching and opportunities.

There were also some good suggestions of what parents would like to see happen and therefore the areas that we as a school will now be working on in response to this survey are:

- Looking for further ways to share your children's progress with you, outside of Parents/Carers meetings and SEND meetings.
- Continue to ensure that parents and carers have a good understanding of what constitutes bullying and the preventative approaches that we have in place alongside the measures Meadow View consistently takes when an allegation of bullying is made.
- Promote and explain our comprehensive personal development programme to parents and carers so that you have a better understanding of how we develop your child's personal skills.
- Develop a parent/carer friendly way of demonstrating how the school has high expectations of all of our children.
- Ensuring text messages include the child's name. We acknowledge that they can be confusing if you have more than one child in school.
- Every class do go on at least 1 school trip each year – we will make more effort to advertise these trips so that all parents are aware of what trips take place.
- When Mr Green left school, we appointed a new sports coach. Our sports coach in school is Mrs Kartout who has a level 5 qualification in sports leadership. She is an amazing role model to all our pupils but particularly girls, as girls are often underrepresented in sport. She leads an amazing programme of after school clubs and in school events and activities. As a school we will make more effort to advertise all the fabulous opportunities that Mrs Kartout organises.
- We will continue to work with the highways team to address poor parking on Meadowhall Road.

There were also a couple of personal issues that were raised in the parent consultation. I would like to remind parents that senior leaders and staff are available daily at drop off and collection times for you to talk to about any concerns you have. If it is more complex or confidential, you can also phone school on 01709 740500 or email school on school@mvp.jmat.org.uk to request an appointment or a telephone call from a member of staff. Please do not bottle up any concerns you have and come and talk to us. We want every family to have a positive experience of being part of our school community.

Thank you as always to our families for working with us to make Meadow View amazing!

Mrs Logan
