Arts Mark Celebrations

We have some great news to share! This month we have been awarded The Artsmark Silver award for our arts curriculum and ethos. The Artsmark assessor states:

“You now have a well-planned journey for learners in and through the Arts across the school from EYFS through to Y6 with each set of skills fitting into a broader, progressive scheme, ensuring that everyone participates and no areas of the arts are underserved.”

Safeguarding

In school, we have a team that oversees any arising safeguarding concerns. The team is below. It is however, important to recognise that Safeguarding is everyone's business. If you are worried about a child, you should make direct contact with Rotherham Multi Agency Safeguarding Hub (MASH) on 01709 336080.

Designated Safeguarding Lead

Mobile Phones and Smart Watches

For safeguarding reasons, pupils are not allowed to bring mobile phones into school. We recognise that some Y5 or Y6 children may require a phone as a safety measure if they walk to or from school unaccompanied, therefore if you wish for your child to bring their mobile phone, the pupils class teacher **MUST** be informed in advance and pupils **MUST** drop their mobile phone into the school office before school and collect it after school. Smart watches are not allowed to be worn in school at any time.

Senior Leadership Team

In school we have a senior leadership team that is made up of the schools' senior members of staff. You will often see us out on the gate or around school and therefore we feel it is important for you to know who we all are. Your main point of contact is ALWAYS your child's class teacher as they are the person who knows your child the best, however you are always more than welcome to speak to us if you have a more sensitive issue or if you feel you have had limited success with your child's class teacher.
