### What are the three areas that parents feel that Meadow View need to improve? This is what you said..... And what we have done/are doing to do about it

- **Language/swearing on the school drive and smoking at the top of the drive**

As a school we have also had complaints about this too. We will remind parents about expectations of conduct on school grounds. We are working with the School Council to design some posters to place on the school drive to reinforce our expectations to all parents and carers. Children copy behaviour and we do not want negative behaviour copied by our children. Parents also need to ensure that if they allow their child to walk to and from school on their own, their child is able to show respect to others and behave well.

- **After School Clubs**

We work closely with our Parent Council and School Council to ensure that we have broad balance of clubs of offer. We regularly survey children to ensure we have clubs that Meadow View children want. We will continue to do this.

- **Communication**

This is an area that Mrs Logan and Mrs Taylor will discuss at the next Parent Council to see how we can improve communication. We know that parents prefer text and we have adapted Parents Meetings to make them longer and more informative. We have introduced Exhibitions of Learning for parents to see their child's learning.
