What is your child learning this Autumn in school?

Across the school this Autumn your child will be learning lots of new things. All children started the year with a mini project called 'Be The Best You Can Be'. Every child from F1 to Y6 was inspired to 'Be The Best' that they can according to their age and stage. We hope that you shared some of your own inspirations and aspirations. Curriculum Projects have now started and here is what is happening across school.

EYFS	F1 Core Story: The Three Little Pigs F2 Core Story: Giraffes Can't Dance Big Questions: Do we all like the same things? How can I be a good learner? What is a good friend? Please look at the website for the next core stories and Big Questions
Y2/1	Towers, Tunnels and Turrets: Mrs Harrison – Can anyone be a King or Queen? Miss Mahmood – What hides behind the castle door?
Y4/3	I am Warrior! Miss Hunter & Miss Webster – What makes a warrior?
Y6/5	Hola Mexico! Mr Flanagan & Miss Webster – How might Ancient Maya inspire us?

On the website there are more details about how we will develop your children as historians, geographers, scientists etc during the projects. The projects will last all Autumn term with mini projects in between to ensure National Curriculum coverage. Your child will share their learning with you during our Exhibitions of Learning on Tuesday 18th December at 3.15pm.

During the projects, teachers will have sent home some activities you may wish to complete to enhance their learning over the Autumn term. These activities are to compliment weekly reading, spellings and number bond/times tables practice. Please see the website for the schools Homework Policy written with Parent Council. Children will be praised for completing homework. We do not give sanctions for not completing, but we hope that you will see that home learning is just as valuable as school learning to develop life-long, independent learners.

We have been informed that some of our pupils have active Facebook, WhatsApp, Snapchat or Instagram accounts. Here is a quick reminder of the Age Restrictions for some of the Social Media Platforms. **Let's work together to keep your child safe on the Internet.**
