

Parent Council Meeting
17th September 2019

1. Minutes of the previous meeting: The group discussed that Mrs Logan will be sending out a communication questionnaire in the future. We are looking at putting in place emailing general letters out to parents via email. A parent suggested using an App to have all the documents together. This will be explored by the Admin team.

Cards being made through school is to be discussed with Pupil Council in the near future with Mrs Logan.

DBS checks have to be done for volunteers that are in regular contact with children in school.

Internet safety – Two workshops have been arranged for parents to attend and these are available to book on at reception.
2. Review of code of conduct - The group reviewed the code of conduct for the group. The group are happy with the code of conduct and are happy to adhere to it.
3. F1/Children numbers - We discussed the low numbers this year in F1 and low numbers across school. We discussed how we could increase the numbers in school. We currently try to promote school on social media and via the website and local newspapers. A new banner is to go up outside school to promote the Foundation unit.
4. Smokefree School - We have been working on making the school gates a smoke free zone with the parent council and Sue Turner from RMBC we have been chosen to launch the smokefree campaign for Rotherham schools. We are proud of our achievements on promoting smokefree and want the parent council and children to be at the launch day to celebrate the achievement too.
