# Admissions Policy

**Our admission policy and procedures follows guidance set out by the Admissions Department within Rotherham Borough Council. Please see [Rotherham.gov.uk](http://Rotherham.gov.uk) and click on schools for all information about admissions procedures and the appeals process.**

## **Admission to the Early Years Foundation Stage – F1**

- Children will be allocated a part time F1 place in the September or January following their 3<sup>rd</sup> birthday.

## **Admissions to Meadow View Primary School**

Admissions to Meadow View Primary School are dealt with by Rotherham Borough Council. There is an admissions booklet which sets out the procedures for applying for a school place. Should a place not be granted there is also information within the same booklet about how to appeal.

Children will be allocated a full time F2 place at the beginning of the Autumn term following their 4<sup>th</sup> birthday (Children must be aged 4 by 31<sup>st</sup> August prior to this.)

## **Admissions from years 1 to 6**

Our intake limit is 40 children for each year group. If that number has not been reached there is every likelihood that your child will be admitted to the school.

A child's academic ability has no bearing on whether or not he or she is admitted. However, if the Head Teacher thinks that a child's needs cannot be met, or the education of the others might suffer, she may refuse an application in the interests of all parties. The parents should then take Local Authority advice. You may also wish to discuss any number of issues with our Governing Body. Our Chair of Governors is Carol Bowler, and our Parent Governors can be contacted via the school.

Children leave for secondary education at the end of the school year in which they become eleven years of age (ie the end of Year 6). The majority of our children go on to Winterhill Technology College, further information can be found at [www.winterhill.org.uk](http://www.winterhill.org.uk)
