

**Meadow View Primary School record of Primary School Sport Funding
2016-2017**

Grant Amount - £9024

Event/Project/Activity	Allocation/Cost	Objective	Outcome
1. Employing Specialist PE teacher from Winterhill to work with teachers during block sessions in order to increase their subject knowledge and confidence in delivering the PE curriculum.	£6000	To improve teaching and learning of PE across school. Teachers CPD	Reduced due to employment for BW and not using WHS teachers for PE delivery. BW to support staff teaching and develop staff CPD. CPD on targeted areas in dance and gymnastics
2. Ensuring we enter all cluster events, tournaments and school organised events including transport (including finals)	£2080.00	Raise children's self-esteem. Increase children's fitness and health. Encourage competitive sport.	Wide range of children including PP children entered into tournaments and encouraged to compete against cluster schools
5. Resources	£969.00	To ensure PE lessons can be delivered with quality	iMoves dance program developed for school with training to ensure high standard of delivery in dance and gymnastics with additional sport planning and video ideas. *In addition Healthy Life club invited to MVP and encouraged to create links for possible after school club. Parents invited.

Rationale in spending the Primary School Sports Funding:

-To improve the quality of PE and sport provision, including maintaining our participation in cluster tournaments and local events.

-To enable children to realise the importance of a healthy lifestyle.

-To motivate learners and provide them a varied and rich PE curriculum.

-To ensure we can pay for transport to either cluster events or own events organised by the school.

-To ensure that more after school clubs are provided at a subsidised price, to enable more children to attend.
